## **Summary of Activities – December 2009**

During the month of December I circled back to all of the Louisiana congressional offices that represent St. Charles Parish (Landrieu, Vitter, Scalise and Melancon) and thanked the people we worked with for everything they had done and that we were looking forward to 2010 to continue the progress, with the primary topic of conversation being hurricane protection. Within the gift limits, I delivered homemade pralines and holiday well wishes to each office and had an opportunity to meet with both Senator Vitter and Landrieu. In Senator Landrieu's office I was also invited to a staff gathering to bid farewell to a departing fellow in the office and I made a large batch of bread pudding. It was devoured and appreciated. December was a month of relationship building.
